## Statement of Intent

All nature-connected coaching and life coaching services delivered by Melissa Reed-Eckert, Wild Heart Revival, and Wild Heart Revival employees and collaborators (collectively referred to as "Wild Heart Revival" or "WHR") are meant to challenge, uplift, empower, and support you. However, coaching is not psychotherapy. If you feel psychologically stressed to the point that it is interfering with your ability to function, please seek the help you need in the form of a professional licensed counselor or therapist. Life coaching may augment your therapy, but the work of coaching is meant to be done when major emotional and psychological wounds are already healing or healed. In that spirit, please read the following and sign below should you agree to each statement and wish to proceed:

◆ I understand that the coaching services I will be receiving from Melissa Reed-Eckert and Wild Heart Revival are not offered as a substitute for mental health care. I also understand that my coach is not acting as a psychotherapist, and does not purport to offer mental health care.

◆ I understand and agree that I am fully responsible for my well-being during my coaching sessions, and subsequently, including my choices and decisions.

◆ I understand that all comments and ideas offered by my coach are solely for the purpose of aiding me in achieving my defined goals and desired outcomes. I have the ability to give informed consent, and hereby give such consent to my coach to assist me in achieving such goals.

◆ I hereby release, waive, acquit and forever discharge Melissa Reed-Eckert and Wild Heart Revival, LLC, their agents, successors, assigns, personal representatives, executors, heirs and employees (collectively "Wild Heart Revival" or "WHR") from every claim, suit action, demand or right to compensation for damages I may claim to have or that I may have arising out of actions, omissions, or commissions taken by myself or by WHR as a result of the advice given by WHR or otherwise resulting from the coaching relationship contemplated hereunder. I further declare and represent that no promise, inducement or agreement not herein expressed has been made to me to enter into this release. The release made pursuant to this paragraph shall bind my heirs, executors, personal representatives, successors, assigns, and agents. I have read the statements above and I understand and agree with the points contained therein:
